

To whomsoever concerned
Authorization Letter for implementing New Antivirus

Authorization Issue Date: -
Authorization Letter Valid Upto: -

28th September 2011
10th October 2011

Trend Micro is selected as new antivirus for State Bank Group, which will be replacing SEP11 in the branches/offices. M/s. Wipro Ltd. has been selected as System Integrator (SI) to implement, manage and support antivirus solution of Trend Micro for a period of five years.

In this connection the below listed Engineers from M/s. Wipro will be visiting your branch/offices to install new antivirus. To enable them to complete the task of rollout, we request you to give them Administrator User access of CBS server and clients to uninstall SEP11 and then install Trend Micro Anti Virus Solution.

For any clarification in this regard please contact the Nodal Officer at ITS Department of your Circle.
