3 . Authorization

The above named client is engaging S & I Pvt Ltd as an independent group of developers for the specific purpose of developing a World Wide Web site to be installed on the client's Web space located on an Internet Service Provider's (ISP) server. Hereafter, the client will be known as the "Client" and S & I Pvt Ltd will be known as the "Developer."

4. Standard Hosting Service

Developer will secure a hosting service on behalf of the Client. Standard hosting cost is 4000 annually paid in advance. The set-up fee is non-refundable. Any refund due will be mailed within 15 days.

5. Maintenance

Ongoing maintenance by S & I will be billed at 100 Rs per hour. Annual contracts are available.

6. Scope

This area will contain a detailed scope of work Developer will do for Client.

7. Text

Final text will be supplied by the Client. Writing or content creation can be provided by

S & I pvt ltd. Transcription from non-digital media can be provided by S & I pvt ltd..

8. Cross Browser Compatibility

This website includes the creation of a Web site viewable in the latest versions of major browsers (including Internet Explorer, Netscape Navigator, Mozilla and Firefox, and Opera.) Compatibility is defined herein as all critical elements of each Form being viewable and functional in all browsers. Client is aware that some advanced techniques on the Internet may require a more recent browser version and brand or plug-in. Client is also aware that as new browser versions of browsers are developed, the new browser versions may not be backward compatible. In the absence of a Maintenance Agreement time spent to redesign a site for compatibility due to the introduction of a new browser version will be separately negotiated and in addition to the base price of our agreement.

9. Graphic Creation / Banner Advertisements

All graphics (photographs, logos, artwork, or other) will be provided by Client. Charges for creation of graphical elements by S & I pvt ltd. +-, if desired, are beyond the charges of this agreement and will be included as an amendment.

10. Databases (In Case of Dynamic From)

Database design and hosting are also free

11. Payment Terms / Work Flow

A minimum deposit of twenty percent (20%) is required to commence work. After completed 50 % work 20% deposit will be taken . Communication between the Developer and the Client is crucial during this phase to ensure that the ultimate publication will match the Client's taste and

needs. Upon completion of this stage, the Client will be asked to confirm acceptance for the basic site design via e-mail or by signing a printed copy of the design and an additional 30% will be required. Once this acceptance is received from the Client, the work necessary to complete the project will begin. Client agrees to provide Developer with any and all content, graphics, and other information necessary to complete the Web site. Upon completion of the manual will be sent to the Client

Advising the Client that the work has been completed. Final payment of the remaining 30% balance plus any additional charges incurred will due within fifteen (15) business days after delivery of this e-mail or letter and invoice. If the fifteen (15) day minimum is not met, an additional charge of 10% is due. If payment is not made within thirty (30) days of notification, simple interest will accrue on the balance owed at a rate of 18% from the date the 10% penalty was levied. Developer reserves the right to remove all Web content from the Internet if payment is not made within thirty (30) days after delivery of our completion notification.

12. Search Engine Registration

The Developer will optimize the Client's website with appropriate titles, keywords, descriptions and text for basic search engine rankings. The Developer also offers advanced search engine optimization and site promotion services. If advanced search engine optimization and site promotion services are desired pricing will be included in an amendment to this agreement.

13. Assignment of Project

The Developer reserves the right to assign certain subcontractors to this project. The Developer warrants all work completed by subcontractors for this project. When subcontracting is required, the Developer will only use industry recognized professionals.

14. Additional Expenses

Client agrees to reimburse the Developer for any critical Client requested expenses necessary for the completion of the manual. Examples would be:

- Purchase of specific fonts at the Client's request,
- Purchase of specific photography at the Client's request.
- Purchase of specific software at the Client's request.

15. Limited Liability

Client agrees that any material submitted for publication will not contain anything leading to an abusive or unethical use of the Web Hosting Service, the Host Server or the Developer. Abusive and unethical materials and uses include, but are not limited to, pornography, obscenity, nudity, violations of privacy, computer viruses, harassment, any illegal activity, spamming, advocacy of

an illegal activity, and any infringement of privacy. Client hereby agrees to indemnify and hold harmless the Developer from any claim resulting from the Client's publication of material or use of those materials.

16. Ownership of form and Graphics

Copyright to the finished assembled work of form produced by the Developer and graphics shall be vested with the Client upon final payment for the project. This ownership is to include, design, photos, graphics, source code, work-up files, text, and any program(s) specifically designed or purchased on behalf of the Client for completion of this project.

17. Author Referral Commission Progra

The Developer recognizes 'word-of-mouth' advertising as our most favorable method of developing new business. As such, we want to reward customers who are pleased with our work and refer us to another individual, business, or organization.

If you refer our services to another party and we ultimately establish a contract with that party, we will provide you, the Client, with free maintenance service

18. Completion Date

The Developer and the Client must work together to complete the Website in a timely manner for both parties to remain profitable. A rough draft will be available online within four weeks after receipt of deposit. Website will be completed within four weeks after approval of rough draft.

Client agrees to provide Developer with any and all content, graphics, and other information necessary to complete the manual within thirty (30) days of the date the Agreement is signed. Should Client not provide Developer with all content, graphics, and other information within thirty (30) days of the date the Agreement is signed, payment in full for completed work will be due immediately and the contract will be considered completed.
