**PROSPER** is today's original family program. It presents many advantages over traditional, closed-time evidence systems - especially if one looks to compete only. The power of **PROSPER** comes from giving family members from many different cultures. Using one single-cell database and family panels where they share all of a wide range of personal information, **PROSPER** can do it all.

importantly, PPI-Harm partners are mainly instant messengers, suggesting a preference for quick, simple, and direct communication. In contrast, PPI-NonHarm partners are more likely to be email users, suggesting a preference for written communication.

The screenshot shows a website interface for "THE SKINNED ONE NETWORK".

**Header:** The top navigation bar includes links for Home, About, Contact, Photo, Video, News, Events, and Log In.

**Main Content:**

- Network Graph:** A central feature is a network graph where each node is a user profile picture. A red callout bubble labeled "THE SKINNED ONE NETWORK" is positioned above the graph.
- Text Block:** Below the network graph is a text block that reads:

THE SKINNED ONE NETWORK is a community of individuals who are interested in skin health and beauty. We provide a platform for users to share their experiences, tips, and advice related to skincare, makeup, and overall well-being. Our mission is to empower individuals to take control of their skin and achieve their goals. We believe that everyone deserves to have healthy, beautiful skin, and we are here to support you on your journey.
- Video Section:** A section titled "See what's new" features two video thumbnails: one showing a woman speaking and another showing a man speaking.
- Content Grid:** A grid of 12 small thumbnail images, likely representing different posts or articles. The categories include "Skin Health", "Skincare", "Makeup", "Beauty", "Wellness", and "Lifestyle".
- Testimonials:** A section titled "Testimonials" displays three images of people smiling, with the text "We're so happy to see our community grow and thrive!" above them.
- Footer:** The footer contains links for Home, About, Contact, Photo, Video, News, Events, Log In, and a "Sign up" button. It also includes social media icons for Facebook, Twitter, and YouTube.
